TIDE 1988

Marshfield High School

Marshfield, Massachusetts

Mr. Richard Gardner

Thank you Mr. Gardner for your enthusiasm, your love for teaching, your respect for us as people, not merely "teenagers", your sparkling wit, your dazzling smile, and all of your zingers (*especially* of those Zicko zingers). "Tie on the old feed bag" has never meant so much to so many. The class of 1988 loves you and will miss you .... We'll have to; you won't let us write to you after we leave!

Dedication

Mr. John McVarish

"Do you know what that sounds like downstairs?" Mr. McVarish groans as chairs are dragged across the floor. For years students at Marshfield High have enjoyed John McVarish's one-liners and witticisms during their "learning experience". Affectionately dubbed "McV", he has helped Latin enjoy a rebirth through his motto "Aut Disce Aut Discede" meaning "Learn or get out." Through McV, the students have learned not only how to deal with Latin, but also how to deal with life, learning to take what is given to them - all the while laughing. The Class of 1988 proudly dedicates this yearbook to Mr. John McVarish.

We Thank You, ***Mrs. Mandile*** . . .

Mrs. Lyn Mandile

for your positive attitude and extraordinary ideas that have kindled and kept out spirits alive. Your helpfulness and guidance as an advisor have made our class truly successful. Mrs. Mandile, we hope you will always remember our "Great Class of 88" because we will always cherish and remember you.

Wrestling

The 1987-88 wrestling season has been the most successful in the history of the sport at MHS. This season represents the culmination of a rebuilding effort that started four years ago when many of our current "stars" were lowly freshmen.

Really, in the final analysis, PRIDE is what it is all about! Fulfillment of one's goals through commitment, dedication and hard work automatically creates a feeling of PRIDE in those accomplishments ... The individual and team records are results of countless hours of hard work and many pounds of sweat and tears. Is it worth it? Just ask any member of this team. Yes, it is worth it.

Boys Soccer

Memories - Tallying up more goals and giving up fewer than any other team in Marshfield history were two impressive statistics that this team accomplished. These accomplishments helped ease a season-ending loss to rival Plymouth-Carver. Being the "White" team in the '86-87 season, we were great bench warmers, switching our feet after every basket while taking our habitual seat on the bench; the day Jasper went to the Cape and got in a hostage crisis; frantically stretching our polyester uniforms before the games; the infamous day that SICK DOG fouled out and Sully attempted a SLAM DUNK; having chicken fingers and Cherry Coke before every practice; having rap sessions on the bus and saying, "Sharon, just tell us."

In 1986, the Council on Aging and members of the Class of 1988 of Marshfield High School undertook a new venture, together. A small group of students volunteered to become Friendly Visitors for less active and homebound senior citizens. Visits are made on a weekly to monthly basis, and the nature of the visit is determined by the student and the senior citizen. Some decide to take a walk, to go shopping, or simply to enjoy each other's company. The goal of the program is to span the generation gap since both generations have so much that they can learn from one another and so much to give to one another.

1888 Marshfield High School

From 1888 to 1988, Marshfield High School has been housed in several different buildings, but its spirit is housed in the people who make up Marshfield High. This Centennial Celebration has given us a sense of history. May we also have a sense of the future, for we truly are the future.. The "Great Class of '88" is a special one - smart, talented, and caring. May we always use these traits to achieve goals worthy of our heritage.

The Inn

Build in 1874 by Martin Swift, the Fairview has been in continuous operation ever since. Originally established as a boarding house for Boston's vacationing elite, the Fairview has undergone many changes during it's one hundred plus year history. During the 1920's and 30's the building was home to the exclusive and elegant "Como Club". Here patrons began the evening by dining to the music of strolling violinists, and later retired to the gambling tables at the rear of the restaurant.

Legend has it that the club was named for the ship Como which sailed the east coast running rum during the prohibition. The entrance to a tunnel from the ocean, through which contraband liquor was smuggled into the club can still be seen in the basement. The ocean side entrance to the tunnel has long since collapsed. Incidentally, over the fireplace in the lounge is a painting of the legendary "Como" done in 1933 by Allen Davidson.

Over the years the Fairview has become famous for it's wholesome, hearty food and picturesque location. As always, all meals are prepared to order from the finest available ingredients.

Both the dining room and the lounge are open year round with the added attraction of a sun deck or warm days and a fireplace for cooler nights. We hope you have an enjoyable meal. We appreciate any comments you might have.

Thank you for your patronage.

Marshfield skaters prove they are best

MARSHFIELD — The Marshfield High hockey team ran their record up to an Old Colony League leading 8-0 this past week with impressive wins against Whitman-Hanson, Hingham and Randolph.

The Rams started the week off right with a 10-1 whipping of the Whitman-Hanson Panthers. Marshfield put the game away in the first period with five unanswered goals by Bill McIntyre, Ron Miller, Chris Jordan, Mike McKinnon and Peter Calabrese. Things went the same for the lone goal was scored by their senior captain Tim Wall, but Marshfield answered with five more of their own from Sean Moran, Dan Connelly, Craig Dunderdale, Mike McKinnon, and Bill McIntyre; the latter two both scored two goals for the Rams.

Marshfield finally got a chance to prove that it was the best in the OCL when it met and defeated the previously undefeated Randolph Blue Devils, 4-3. Marshfield played an all-around great game, but were met at every step by an equally talented Randolph squad. Two goals apiece came in by senior leaders Mike McKinnon and

Nine Marshfield High School varsity hockey players were named to the Old Colony League All-Star team and two seniors were named to the starting lineup for the week.

The good news continues to roll for the Rams as they continued a mastery of the league with a 10-1 win over Hingham and a league clinching victory over Whitman, 13-4.

Named to the O.C.L. team were goaltender Scott English, defensemen Tom Greland and Matt Reynolds and forwards Dan Connolly, Bill McIntire, Mike McKinnon, Peter Calabrese and Greg Costello. Named to the six-member all-star team were McIntire and Greg Costello.

Coach Murray was extremely pleased with Marshfield's play, terming the game a "very upbeat tempo, game as Hingham fought to enter the state

The Rams missed the tournament last year by one point, and coach Bob Murray feels that a tournament berth might be a realistic goal. Two goalie candidates return in seniors Scott English and Ray Cunha. At the blue line, support on defense will come from junior Matt Reynolds, a solid two way performer, as well as seniors Mike Latta, Frank Clemens, and Tom Greland. A sensational, high scoring triple front are all seniors - Dan Connolly, Bill McIntire, and Mike McKinnon. Seven other lettermen back for the Green and White include Peter Calabrese, Joel Brebbia, Chris Jordan, Greg Costello, Dan Miller, Craig Dunderdale, and Mark Greenhalgh. The Marshfield High School hockey team is No. 1 in the state.

The undefeated Rams were ranked the top team in Division 1 by the *Boston Globe* coaches' poll Jan. 26. They surpassed the previous No. 1 and No. 2 teams, Catholic Memorial and Brookline, which lost last week.

Murray stated earlier in the season that he had three objectives for the year. He said,"I want to make the state tournament, win the Old Colony League title, and go undefeated if at all possible." Only the undefeated season is still in any sort of doubt at all.

The Marshfield Rams completed step two of coach Murray's three step plan as they defeated Hingham 4-1, and Taunton 13-4 to secure its first Old Colony League title in 11 years.

The Rams (16-0-1) started the week off right with a 4-1 win over Hingham. The Rams first line of Bill McIntire, Mike McKinnon, and Dan Connelly each scored a goal, and the fourth was added by standout defenseman Tom Grelland.

Scott English was once again a force in the net as he came up with 26 saves, while Hingham goaltender Aaron Smith was bombarded with 45 shots.

The Rams finally put the O.C.L. championship away when they scored 10 goals in the third period to defeat Taunton 13-4. At one time Taunton had a 2-1 lead in the game due to the fact that goaltender Jason Nuttall had an incredible 53 saves after the first two periods to keep Taunton in the game.

Bill McIntire once again the Rams attack with five g three of which came in the t period. Other Ram scorers cluded Mike Mckinnon (two g and three assists), Greg Cos (two goals), as well as Pete C rese, Sean Moran, Mike D and Matt Reynolds.

The team will finish the with games against Hanover Boston Latin on the 17th and of Feb. respectively.

PARENTS' CREED

And a woman who held a babe against her bosom said: Speak to us of Children. And he said: your children are not your children. They are the sons and daughters of life's longing for itself. They come through you but not from you, and though they are with you, they belong not to you. You may give them your love but not your thoughts, for they have their own thoughts. You may house their bodies but not their souls, for their souls dwell in the house of tomorrow, which you cannot visit, not even in your dreams. You may strive to be like them, but seek not to make them like you. For life goes not backward nor tarries with yesterday. You are the bows from which your children as living arrows are sent forth.

We Remember

Samantha Scott

Samantha means springtime to
everyone she knew.
She had a way of happiness, of
never seeming blue.
She had such special qualities — a
willingness to share,
A gentle smile, a way of showing
that she cared.
As we leave our schooldays we wish
she could be here
To share this special time, to know
her memory's dear.
